F-Through Rug

designed by FENDI Casa

Composizione — Tappeto taftato a mano. Econyl + Lana della Nuova Zelanda. Econyl: gli scarti di nylon, anziché inquinare la terra, vengono trasformati in nylon rigenerato. ECONYL® è identico al nylon di nuova produzione e può essere riciclato, ricreato e rimodellato all'infinito.

Colori — Nude / Eucaliphth / Marina.

Composition — Hand-tufted carpet. Econyl + New Zealand Wool. Econyl: Nylon waste, otherwise polluting the Earth, is transformed into ECONYL® regenerated nylon. It's exactly the same as brand new nylon and can be recycled, recreated and remoulded again and again. **Colours** — Nude / Eucaliphth / Marina.
