

COSY

MAURO LIPPARINI

Cosy encapsulates the concept of simplicity, lightness and versatility.

The strong personality of the new MisuraEmme's bed, signed by Mauro Lippardini, is expressed through tailoring details.

The original headboard, divided in two by fine punching, plays with the oblique lines and dynamism of the geometries. Contrasting suede inserts define the sides, enlivening the soft design of the frame with colour. The richness of construction details reveals a new approach, moving away from classical shapes to meet contemporary suggestions.

The aesthetic research is always supported by the great attention to functional aspects which stands out for the possibility to choose a base with two-stage liftable bed.

The wide range of fabrics offers a great harmony between design and materials, satisfying desires and creativity.

Cosy is the MisuraEmme's proposal for a sleeping area with a refined allure, where the merging of cosy volumes and the use of multiple coverings emphasize the formal elegance of the elements.
